

# Friday 9<sup>th</sup> June – Newsletter 16

### **Equality and Diversity Week**

We had an amazing week learning about equality and diversity and celebrating that we are all different and equal. We had fantastic visitors to support us with this including Mr Singh, Gerry from wheelchair basketball, a female firefighter, a professional rugby player and disability dance groups; The Cube and Born to Perform. We feel our children gained so much from this week, they were able to articulate their learning about how we are all different and special and I was so proud of them.

## Staffing for September 2023

I am very excited to share with you our staffing team for September! This is always an exciting time of year as our team is gradually growing with new, talented staff. Feel free to come and say hi to your child's new teacher at the summer fete!

### Reception

- RLH Miss Lucy Hendrey and Mrs Claire Brown
- RCS Miss Chloe Stevens and Mrs Louise Webb

#### Year One

- RKG become 1TF Mrs Tasha Foulser (Miss McDowell) and Mrs Abigail Lloyd
- RTM become IAW Miss Ashley Wright, Mr Danny Webb and Miss Tracey Wilson (1:1)

#### Year Two

- 1LH become 2JP Mr Josh Pender and Miss Charlotte Brown
- 1JP become 2HB Miss Helena Betts and Miss Chloe Frid

### **Extreme Reading**

Thank you for the extreme reading photos we have been sent to <u>lisa.deane@buckton.school</u> Please send all photos by Friday 16<sup>th</sup> June! Thank you.

### **Goodbye to Miss McVeigh**

We would like to wish Miss McVeigh the best of luck in her new role as a wedding coordinator and thank her for all her hard work over these two last years. She has been a great addition to our team and has supported so many children with their wellbeing. She will be missed.

# Goodbye to Mrs Rogers (written by her team)

We wish Mrs Rogers the happiest of maternity leaves and cannot wait to meet Baby Rogers! We know she will be the most amazing mummy and wish her lots of luck. We are so lucky to have had her as our principal, she has helped so many members of staff, families and children already and we can't wait to have her back next year. Good luck to her and her husband, and enjoy the sleepless nights! We will update you as soon as we have news of their beautiful arrival.

### Out of this World!

Reception have loved exploring their new topic of Space! On Wednesday, a spaceship flew over our school and an alien had left footprints and moon rocks in our classrooms! We read some super space sentences and have been writing facts about planets, halving numbers using the moon rocks and turning ourselves into astronauts!

Our out of this world antics!

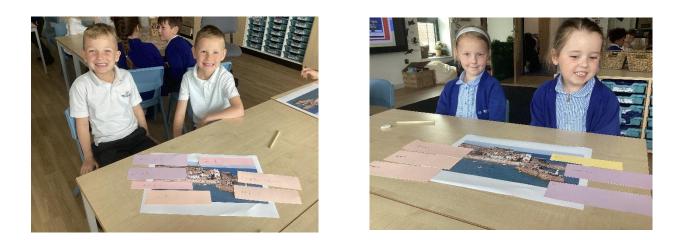

## Martial Arts in Year One

From next week, Year One children will be starting mixed martial arts with a qualified coach. These sessions are booked for Tuesdays and Fridays so they are already in PE kit and we hope they enjoy this additional sporting opportunity to learn a new skill.

### Sun, Sea and Sustainability!

Year One have started their new topic learning all about the seaside and sustainability with a geography and eco-science focus. They will use their previous learning from their Japan topic to compare the UK to a non-European county.

# A huge thank you!

I would just like to say a huge thank you to all our families for my maternity gift and flowers, it is so kind of you all. I am so lucky to work with such a wonderful school community and children who make me smile every single day. I will be very happy if I can bring up a baby boy who is as polite, kind and loving as our children at Buckton Fields. Thank you for your continued support since joining our school. I know I am leaving the school in safe hands with Mrs Straiton and a fantastic staff team and I look forward to seeing you all at some point next year when our children will be Year One and Year Two!

### Dates for your diary:

Friday 16<sup>th</sup> June – Father's Day Breakfast at 8am – 8:45am
Saturday 24<sup>th</sup> June – Buckton Buddies Summer Fete
